Specialty and Experiences

Ms. MAK has developed her clinical expertise in adolescent and adult mental health problems. Over the years she delivered numerous trainings to different arenas such as the education, healthcare and corporate sectors. She held workshops for students, teachers and parents of local schools. She also worked as a part-time lecturer in HKU Space and was invited to be the honorary consultants and field supervisors of schools and universities. She conducted trainings to healthcare professionals such as family physicians and social workers, and advocated for mental health in the workplace by giving talks to reputable corporations such as Deutsche Bank, Prudential Assurance & A.S. Watsons.

Ms. MAK promoted psychology and mental health through the mass media, such as writing columns on adolescent and adult mental health in Mingpao Weekly, Sing Tao daily and Kung Kao Pao. She was interviewed by RTHK, Commercial Radio, BBC, Cable TV, ATV, NOW TV and Phoenix TV on various psychology issues.
